Dear ASIS Omaha Heartland Chapter Member,

It is that time of year again for our chapter to begin preparing for the Law Enforcement and Security Awards Luncheon scheduled for Thursday, October 19th, 2017 at the Ralston Arena. With this being our 15th year, it is important to continue this strong tradition and recognize the amazing individuals who devote themselves to our community.

We are excited to announce this year's keynote address, "A Nigerian Cyber Fraud Case Study," will be presented by an FBI Special Agent.

As a chapter member, we ask that you and your respected company help support this great event by financially sponsoring the Law Enforcement and Security Awards Luncheon. We have included a form outlining the sponsorship opportunities for you to consider. If you would like to sign up as a 2017 sponsor, please visit <http://asisomaha.org/index.php>. Here you can read more about the event and register for tickets and/or sponsorship.

The Law Enforcement and Security Awards Luncheon is truly a special event for all as it allows our chapter an opportunity to honor those individuals, and their families, for their outstanding service to the community. All those serving in the public and private sectors put themselves in roles to protect and serve the community first!

As a chapter, let us show them how much we appreciate what they do and provide each and every day in serving and protecting our communities and businesses!

If you have questions regarding the Law Enforcement and Security Awards Luncheon or if there is an individual within your company that we should contact directly regarding corporate sponsorship, please contact our event coordinator, Maureen Flynn, at 402.333.3062 ext. 216 or maureen@planitomaha.com.

Thank you in advance for your assistance and support.
